ABOUT THE PROGRAM:

The ACRRM Drug and Alcohol Addiction Education (DAAE) Program features a suite of training activities designed to strengthen the capacity of General Practitioners to address drug and alcohol addiction in their communities. Available at no cost to ACRRM members, the DAAE program includes an online learning course, virtual and face-to-face workshops and webinars with subject matter experts, supported by resources for GPs to use within their practice.

Eligible* ACRRM members can claim an incentive grant following successful completion of each DAAE Program training activity.

VIRTUAL WORKSHOPS	ONLINE COURSE	WEBINAR SERIES
<ul style="list-style-type: none"> • 5.5hrs PDP (educational activities) • 2hrs PDP (performance review) • \$2,700 incentive grant available* <p>Delivered online in monthly cohorts, the DAAE virtual workshop provides the tools and techniques to address addiction issues and effectively harness the local resources and referral pathways available. Presented by experienced ACRRM fellows attendees will analyse case studies and contextualise to the unique needs of their community.</p>	<ul style="list-style-type: none"> • 12hrs PDP (educational activities) • \$1,300 incentive grant available* <p>The self-directed online course is aimed at increasing your knowledge and understanding of the various outcomes of substance use, enabling you to effectively assess and manage patients and optimise treatment options available in your local community. Please note, this course covers alcohol, benzodiazepine, opioids, cannabis and methamphetamine use.</p>	<ul style="list-style-type: none"> • 1.5hrs PDP (educational activities) per webinar • \$200 incentive grant available* <p>Interactive webinars delivered in a Q&A format led by drug and alcohol addiction experts. The webinars will focus on key clinical areas and augment the learning from the workshops and online learning courses, to build on your core knowledge with the opportunity to explore case examples.</p>

This program is funded by the Australian Government, Department of Health

* Eligible ACRRM members include all doctors and registrars who are current financial members of the College (excludes Students, Health Professionals, IMG Associates, Future RG, and Retired members).

The DAAE program is completely FREE for ACRRM members.
