PP&TP-PCEP

Activity Number *

1

Activity Title *

Intellectual disability

Existing, Modified or New Activity *

New Activity

Activity Priorities and Description

Program Key Priority Area *

Population Health

Aim of Activity *

To build the capability and capacity of local primary care providers to meet the complex needs of people with intellectual disability (ID) and improve access to equitable preventative healthcare, reduce chronic disease and support people with ID to build healthy lives.

Description of Activity *

The activity comprises two main elements:

- Community navigation to support primary care providers in health system navigation and referral, to link providers with the most appropriate specialist services for their patients.
- Education for primary care providers on best practice care for people with ID. This will also include training for PHN staff to support GPs to undertake annual Medicare assessments, regular audits of My Health Record and access to NDIS care plans.

PP&TP-DVP - 1 - Domestic and Family Violence Pilot

Activity Metadata

Applicable Schedule *

PHN Pilots and Targeted Programs

Activity Prefix *

PP&TP-DVP

Activity Number *

1

Activity Title *

Domestic and Family Violence Pilot

Existing, Modified or New Activity *

New Activity

Activity Priorities and Description

Program Key Priority Area *

Population Health

Aim of Activity *

To build the capacity of local primary care providers to recognise and respond to domestic and family violence (DFV) and strengthen integration with broader social and community services

Description of Activity *

The activity comprises two main elements:

- A specialist DFV educator who will provide a range of education options for primary health care professionals, including individual sessions, small group learning and large scale events

- A specialist DFV navigator who will provide a referral service to link primary care providers with appropriate DFV services and secondary consultations to assist health professionals to support their patients.
