SHINGRIX:

**a new paradigm in
shingles prevention**

Learn more about herpes zoster and SHINGRIX, a new shingles vaccine now available in Australia for your patients ≥ 50 years old.

GSK's portfolio of vaccines have been helping to protect people from a range of serious diseases for well over 100 years. We are pleased to invite you to an educational meeting which aims to enhance your knowledge of **herpes zoster (shingles) and its prevention with SHINGRIX.**

Your personal information will be collected and provided to the venue to enable the venue to meet their contact tracing obligations.
