

Are you a carer?

Come to a Carer Gateway information session

Carer Gateway is an Australian Government program providing free services and support for carers.

In 2024, the District will host **Carer Gateway Information Sessions** at hospitals and health centres for all carers and the people who support them.

- Enjoy an engaging presentation, packed with valuable information.
- Learn about Carer Gateway and the many carer services they provide.
- A Carer Gateway staff member will be available on the day to speak to, and complete any Carer Gateway registrations.
- Bookings are not required

Staff welcome

If unable to attend in person you can join online
