We know it is sometimes challenging to fit training into your workday so we offer a number of options to complete IAR-DST training:

1. Online - 2 parts (30 min + 90 min)

PART 1

30 minute pre-recorded webinar

Viewing of a 30 minute pre-recorded webinar (**Workshop 1***) via Open Learning and completion of a post webinar survey.

PART 2

90 minute live webinar

Attendance at a 90 minute live webinar (**Workshop 2**) and completion of a post workshop survey.

*Please note that completion of **Workshop 1 - webinar** is a **PRE-REQUISITE** prior to attending **Workshop 2**.

2. Online - 1 part (2 hours)

PART 1

- **Workshop 1 & 2** as described above, will be delivered in a single 2 hour session.
- There is no requirement to view the **Workshop 1 - webinar** before attending this training session.

3. Face to Face

- **Workshop 1 & 2** as described will be delivered in a single 2-hour face-to-face training session at the CESP HN Offices in Mascot. These sessions are delivered in the evening from 6:00 – 8:30pm with networking and dinner from 6:00pm
- There is no requirement to view the **Workshop 1 - webinar** before attending this training session.

Regardless of which format you choose, you will also be required to complete a follow up survey that will be emailed to you 3 months following the training.
