

# The Central and Eastern Sydney Primary Health Network (CESPHN)

Alcohol and Other Drugs  
Advisory Committee is  
renewing its membership.

To be eligible to apply to become a member of this Advisory Committee applicants must live, work or provide services in the CESPHN region.

The composition of the Alcohol and Other Drugs Advisory Committee reflects the diversity of the community and will include the following representation:

People who have lived and living experience of alcohol and other drug use

Families and carers

Aboriginal and Torres Strait Islander people

Multicultural communities

Peak bodies

Community managed organisations

General practitioners / allied health professionals / pharmacists

Universities / research institutions

South Eastern Sydney LHD

Sydney LHD

St Vincent's Health Network

Please see attached the EOI form and Terms of Reference.

Responses to the EOI are due by Friday, 31 January 2025.
