Disclaimer: CESPHN provides Medicare information as a guide only and recommends general practitioners familiarise themselves with the detailed descriptions contained in the MBS, available at mbsonline.gov.au. Under the [Health Insurance Act 1973](#) practitioners are legally responsible for services billed to Medicare under their Medicare provider number or in their name.

ADDITIONAL INFORMATION:

- ⌚ [Using Medicare for People with Disabilities Fact Sheet](#)
People with Disabilities (ACT) have developed a fact sheet that includes MBS services specifically related to disabilities.
Please click [here](#) for further information.
- ⌚ [Medicare Safety Nets](#)
When a patient spends certain amounts in gap and out of pocket costs, they will reach thresholds and start getting higher Medicare benefits. This means patients will get more money back for certain Medicare Services. Calculations are based on the calendar year, 1 January – 31 December.
Please click [here](#) for further information.
- ⌚ [Department of Health – People with Disability](#)
Payments and services for people with disability, their families and carers, if your patient has an illness, injury or disability.
Please click [here](#) for further information.
- ⌚ [Child Dental Benefits Schedule](#)
Covers part or the full cost of some basic dental services for children if eligibility criteria met.
Please click [here](#) for further information.

***CESPHN has an intellectual disability health care team providing support to GPs and practice staff.
