

ELDAC After Death Audits and Toolkits – Confirmation and Signing Form

Name	Position	Toolkits completed	Signature
<p>Completion of ten (10) after death audits via the ELDAC developed template (tick box) <input type="checkbox"/></p>			
<p>Reflection on ELDAC toolkit and after death audits findings <i>Please provide a brief summary of key insights, themes, or opportunities identified through completing the ELDAC Toolkits and reviewing After Death Audit results. Reflections may include (but are not limited to):</i></p> <ul style="list-style-type: none"> • Observations about palliative care practices, communication, or symptom management • Gaps identified in advance care planning, documentation, or family engagement • Strengths in current practice that can be built upon • Team or workflow insights gained from comparing toolkit results with audit findings • Any unexpected findings or areas requiring further exploration 			
<p>Planned Actions and Quality Improvements <i>Based on the insights gathered, outline any specific actions you plan to implement. These may include changes at the resident, staff, organisational, or clinical practice level. Examples include:</i></p> <ul style="list-style-type: none"> • Improvements in documentation, communication, or care planning processes • Strategies to enhance collaboration with GPs, specialists, or after-hours services • Initiatives to strengthen palliative care capability (training, mentoring, clinical tools) • Changes to support earlier recognition of deterioration or escalation pathways • New or revised workflow processes (handover, MDT meetings, family discussions) • Environmental, cultural, or resource adjustments to support quality end-of-life care • Any follow-up actions needed, including monitoring outcomes or repeating audits
