

LUNCH & LEARN WEBINAR

‘HIV - WHAT YOU NEED TO KNOW’

Join us online to strengthen your understanding of HIV, statewide support services, and the latest multilingual resources available on the newly launched NSW MHAHS website.

This HIV Testing Week, help raise awareness around HIV prevention and testing. Discover effective engagement strategies and be in the know on how culturally and linguistically diverse communities can easily access free and confidential HIV testing.

THURSDAY, 4 JUNE 2026

12PM - 1 PM

REGISTER NOW

Free webinar for health and
community workers.
