

# Practice Managers Forum 2026 Leading Change in Primary Care

## INVITATION

Central and Eastern Sydney PHN (CESPHN) invites Practice Managers working within the CESPHN region to attend the Practice Managers Forum 2026: Leading Change in Primary Care.

## ABOUT THE EVENT

The role of Practice Managers continues to evolve, requiring strong leadership to navigate system change, strengthen governance frameworks, and drive innovation in general practice.

This forum provides structured, evidence-aligned content to support leadership capability across accreditation, compliance, privacy and digital transformation domains.

Participants will engage with expert presenters and practical sessions to support implementation of RACGP Standards (6th edition), medico-legal risk management, and AI-enabled practice operations.

## FEATURED CONTRIBUTORS

- Fiona Kolokas - Manager, General Practice
- Australian Commission on Safety and Quality in Health Care
