

Antenatal Shared Care Obstetrics Update

Join us in person for the Obstetrics Update for ANSC GPs on preterm birth and cytomegalovirus (CMV) screening as part of Shire CPD series for GPs.

Preterm birth

Dr Andrew Zuschmann, Obstetrician and Gynaecologist, Sutherland Hospital

CMV Screening

Hannah Croker, Midwife and parent impacted by CMV

Kath Swinburn, CMV Researcher, Cerebral Palsy Alliance

Dr Antonia Shan, Maternal Fetal Medicine Specialist and Obstetrician, Royal Hospital for Women

3 ANSC Points have been allocated for this activity (this equates to 1.5 hours out of the 6-hour minimum education requirement for ANSC GPs in the 2026-2028 triennium).
