

FREE 15 MINUTE TRAINING HEALTH CHECKUP

Could your practice be missing out on thousands of dollars in training support?

Take a complimentary Training Health Checkup from UNE Partnerships

Finding and retaining capable staff has never been more challenging. Yet many medical practices are unaware that Government subsidised training and traineeship pathways may be available to support workforce development, succession planning and staff retention.

What could this mean for your practice?

- Potential access to government subsidised training.
- Upskill existing staff and build capability.
- Support recruitment and succession planning.
- Enhance employee retention and loyalty.
- Boost practice productivity and efficiency.

UNE Partnerships can help with:

- Navigating government funding eligibility.
- Identifying suitable training pathways.
- Tailoring training for your practice.
- Connecting with eligible trainees.
- Streamlining the application process.
- Ongoing support throughout training.
