

ST VINCENT'S PROSTATE CANCER MASTERCLASS

Multidisciplinary Management & Advanced Therapeutics

TIME	SESSION	FORMAT	SPEAKER(S) / PANELLISTS
07:30 - 08:00	Registration & Breakfast	Arrival	Hosts: Prof Anthony Joshua and Dr Ben Namdarian
Theme 1: Early Detection, Referral Pathways & Early Management			
08:00 - 08:10	Primary Care 1: Screening & Risk-Stratification Who to screen as a GP and interpreting PSA / free-to-total ratio	Lecture (10m)	Paul Bergamin
08:10 - 08:20	Diagnostics: MRI & PSMA PET/CT, PRIMARY 2 study MRI and PSMA Pet combination for Diagnosis	Lecture (10m)	Sonny Ho
08:20 - 08:30	Primary Care 2: GP Investigation & Referral Pathways to St Vincent's Pathways for referral, Ideal investigations, Funding of PSA and MRI?	Lecture (10m)	David Ende
08:30 - 08:40	Primary Care 3: GP-Led Management & Active Surveillance Shared-care model and monitoring localised disease	Lecture (10m)	James Thompson
08:40 - 08:55	Radiotherapy Advances IMRT/VMAT, MR-Linac adaptive therapy, and HDR/LDR brachytherapy	Lecture (15m)	Jeremy De Leon
08:55 - 09:10	New Surgical Techniques: How to decide? Single Port, Nanoknife, TULSA	Lecture (15m)	Prof Stricker
09:10 - 09:25	Panel 1: Optimising Early Detection & Referral Pathways, Q&A	Interactive Panel (15m)	Presenting speakers
09:25 - 09:30	Sponsor Pipeline	Lecture (5m)	Chris Rofe
09:30 - 10:00	Mid-Morning Break & Networking	Break (30m)	-
Theme 2: Survivorship, Functional Recovery & Quality of Life			
10:00 - 10:15	Concurrent BPH, voiding symptoms in PrCa Workup and appropriate treatment options	Lecture (15m)	Raji Kooner
10:15 - 10:25	Urological Interventions for Incontinence & ED Slings, artificial urinary sphincters, vacuum devices, and implants	Lecture (10m)	Gordon O'Neill
10:25- 10:35	Physiotherapy: Pelvic Floor Rehabilitation Pre- and post-operative training for continence and erectile recovery	Lecture (10m)	Luke Herzog/ Brittany Bourne
10:35 - 10:45	Psychology: Mental Health & Sexual Wellbeing Managing anxiety, body image, and intimacy post-treatment	Lecture (10m)	Douglas Williams
10:45 - 11:00	Panel 2: Optimizing Outcomes Q&A	Interactive Panel (15m)	Presenting speakers
Theme 3: Advanced Systemic Management & Complications			
11:00 - 11:15	Systemic therapies in prostate cancer Doublet vs. triplet therapy and ARPI integration	Lecture (10m)	Andrew Yam
11:15 - 11:25	Nuclear Medicine & Radioligand Treatment 177Lu-PSMA-617 efficacy, selection criteria, and future alpha-emitters	Lecture (10m)	Nuclear Medicine Physician
11:25 - 11:35	ADT Side Effects & GP Management of Complications Metabolic, bone, and cardiovascular risk reduction	Lecture (10m)	Anthony Joshua

TIME	SESSION	FORMAT	SPEAKER(S) / PANELLISTS
11:35 - 11:45	Oncology Nutrition: Mitigating ADT Complications Dietary strategies for metabolic syndrome, bone density, and sarcopenia Summary of key takeaways and final questions	Lecture (10m)	Peter Talbot
11:45 - 12:00	Q & A, Round Up, Final Comments Summary of key takeaways and final questions	Interactive Panel (15m)	Presenting speakers, Conference Chair
12:00 - 12:30	Lunch Break & Exhibition	Closing (30m)
