

Free psychiatry for the patients who can't reach it

Consultant psychiatry by video conference, at no cost to people in Central and Eastern Sydney who face socio-economic barriers to accessing a psychiatrist.

Collaborative care

You receive diagnostic clarification and a treatment plan. Case conferencing MBS items available.

Secure and simple

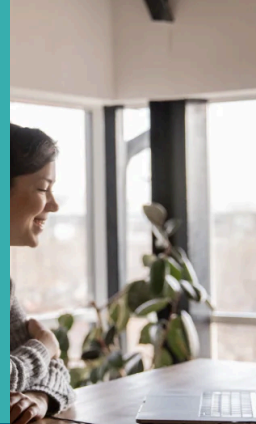

All that is required is a device with a secure internet connection, a camera and a microphone.

Experienced psychiatrists

A specialist team supporting people living with severe and complex mental illness.

Where the patient is

Consultations from their own home, a support person's home, or your clinic.

ACCEPTING REFERRALS TODAY

Refer via HealthLink within GP software or scan for the online referral form

A referral letter is mandatory.
Please attach it to every referral.

Enquiries: 02 8003 7668
