headspace
National Youth Mental Health Foundation

free webinars for parents and carers

supporting children and young people

headspace National is hosting free webinars for parents and carers focused on supporting the mental health and wellbeing of children and young people.

These online sessions offer practical guidance and evidence-informed strategies to help parents and carers navigate challenges with confidence.

these sessions aim to:

- Build understanding of young people's mental health and wellbeing
- Strengthen confidence in supporting children and young people
- Foster connection, resilience and recovery
- Enhance communication and supportive conversations
- Increase awareness of helpful supports and resources
