No significant changes in the nature of the company's activity occurred during the financial year.

#### Significant changes in state of affairs

There have been no significant changes in the state of affairs of the company during the year.

#### Information on directors

Name:	Dr Shereena Sinnayah
Title:	Co-Chair
Experience and expertise:	Shereena has been a GP in Sydney's Inner West for the past 8 years. Shereena involves herself with different aspects of primary care to better understand the role of general practice in our community. In addition to working in a general practice in Erskineville, Shereena also works with Tresillian Family Care Centres supporting local families of children aged 0-3. She remains connected to GP training and education as a Clinical Teaching Visitor with GP Synergy and is a RACGP examiner. She sits on a medical advisory committee for Balmain General Practice Casualty.

**Central Sydney GP Network Ltd**  
**Directors' report**  
**30 June 2023**

**Name:** Dr Javier Camargo  
**Title:** Chair  
**Experience and expertise:** Javier has been a full time GP in Sydney's Inner West since 2014. Javier graduated from the University of Queensland in 2010 and completed his post-graduate training at the Royal Brisbane and Women's Hospital and the Royal Children's Hospital, Brisbane. He also holds a degree in Pharmacy and has practised as a pharmacist before completing his medical degree. Javier has undertaken additional training in children's health at Sydney Children's Hospital and in women's health at the Royal Women's Hospital. Javier enjoys all aspects of general practice and in caring for men and women of all ages. He has particular interest in child health, men's health, travel medicine, LGBTQI health, mental health, sexual health and Hepatitis C management. Javier joined the Central Sydney GP network in late 2018 after completing the foundations course in directorship at the Australian Institute of Company Directors. He is keen to use his board appointment as a platform to champion the concerns of GPs in his surrounding network and to advocate for them and liaise with other organisations at different levels to ensure that the concerns of general practitioners is effectively advocated in the delivery of healthcare and to achieve quality general practice which is central to patient care.

**Name:** Dr Eveliina Vinchenzo  
**Title:** Director  
**Experience and expertise:** Eveliina is a local GP based in Leichhardt. Evelina completed her GP training in Manchester, UK before moving to Sydney in 2017. Her special interest is Women's Health and she affiliated with 3 local hospitals to provide GP Antenatal Shared Care. She also teaches medical students from The University of Notre Dame, Sydney and take GP registrars. Evelina was in a leadership role as the Medical Director for a medical centre of 12 doctors before taking on an appointed role on the CSGPN board in June 2021. She is passionate about General Practice and strongly believes in the role of the CSGPN board as an advocate for GPs. She would love to continue in this role with a view to supporting local GPs through the good, and also more difficult, times. Evelina recognises that the landscape of General Practice is always changing. She is dedicated to staying across current issues and open to listening to the needs of the members, whilst being willing to work hard to try to drive positive changes.

**Name:** Dr Maryanne Docker  
**Title:** Director  
**Experience and expertise:** Fellowship of the Royal Australian College of General Practitioners 2001. Maryanne has a particular interest in managing patients with complex mental health issues. She is acutely aware of the socioeconomic determinants of health and the need to create individual support and services for those who are vulnerable. She is a Shared Care GP for Royal Prince Alfred Hospital. Maryanne particularly enjoys the long term relationships she builds with her patients and being able to provide them with support and medical care through significant life changes. After 20 years of clinic experience and individual patient management, Maryanne hopes to use the skills she has learnt to advocate for and contribute to quality patient health outcomes in our broader healthcare system.

**Name:** Dr Thao Nguyen  
**Title:** Director  
**Experience and expertise:** Thao has been a general practitioner and shared care antenatal doctor with RPAH and RHW since 2012, practicing in the inner west Canterbury and eastern suburbs as clinical lead of 2 teaching GP practices. During this time, Thao has enjoyed being a tutor and examiner of medical students at Notre Dame and Sydney university students, where she hoped to inspire future young doctors to consider general practice as their future profession and educate them on the vital role of GP's in the health care team. She also mentors GP registrars as a GP supervisor and has been an examiner for RACGP. She is passionate about educating future GP's, and as a member of the board hopes to promote the role of GP's in the community and advocate for her patients and colleagues.

**Central Sydney GP Network Ltd****Directors' report****30 June 2023****Company secretary**

Sally Ho appointed as a Company Secretary on 28/06/2021

**Matters or circumstances arising after the end of the year**

No other matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the company, the results of those operations or the state of affairs of the company in future financial years.

**Meetings of directors**

The number of meetings of the company's Board of Directors ('the Board') held during the year ended 30 June 2023, and the number of meetings attended by each director were:

	Full Board Attended	Held
Dr Shereena Sinnayah	4	4
Dr Javier Camargo	4	4
Dr Eveliina Vinchenzo	2	4
Dr Thao Nguyen	4	4
Dr Maryanne Docker	4	4

Held: represents the number of meetings held during the time the director held office.

**Future developments and results**

There are no likely developments expected in the operations of the company that would impact on the expected results of these operations in future financial years.

**Member contributions**

Central Sydney GP Network Ltd is a company limited by guarantee. In the event of the company being wound up, ordinary members are required to contribute a maximum of \$2 each. Associate members are not required to contribute. The total amount that members of the company are liable to contribute if the company is wound up is \$760, based on 380 ordinary members.

**Environmental matters**

The company is not subject to any significant environmental regulation under Australian Commonwealth or State law.

**Auditor's independence declaration**

A copy of the auditor's independence declaration as required in accordance with sub-division 60-40 of the Australian Charities and Not-for-Profit Commission Act 2012, for the year ended 30 June 2023 is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors.

On behalf of the directors

DocuSigned by:

*Javier Camargo*

**Central Sydney GP Network Ltd**  
**Notes to the financial statements**  
**30 June 2023**

**Note 1. Significant accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**New or amended Accounting Standards and Interpretations adopted**

The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

**Basis of preparation**

These general purpose financial statements have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures issued by the Australian Accounting Standards Board ('AASB'), the Australian Charities and Not-for-profits Commission Act 2012, and associated regulations, as appropriate for not-for profit oriented entities.

*Historical cost convention*

The financial statements have been prepared under the historical cost convention.

*Critical accounting estimates*

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Contract liability (unearned income) for member subscriptions not a difficult area of estimation and the investments FV is advised by the third party managers so no estimation/judgement by client involved.

**Comparative amounts**

Comparatives figures have been adjusted to confirm to changes in the presentation for the current financial year where required by accounting standards or as a result of a change in accounting policy.

**Going concern**

The financial report has been prepared on the going concern basis. The company believes that with continuous support from the members in the form of membership revenue they can continue as a going concern.

The following accounting policies are most relevant to the company:

**Revenue recognition**

The company recognises revenue as follows:

*Revenue from contracts with customers*

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

**Central Sydney GP Network Ltd**  
**Notes to the financial statements**  
**30 June 2023**

**Note 1. Significant accounting policies (continued)**

*Membership income*

Membership subscription revenue is recognised upon the receipt of membership renewal applications. Any revenue received during the current financial year that relates to the next financial year is deferred as a contract liability.

All revenue is stated net of the amount of goods and services tax (GST).

*Interest*

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

*Other revenue*

Other revenue is recognised when sales invoices are raised following the performance of service.

**Income tax**

As the company is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

**Current and non-current classification**

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the company's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the company's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

**Cash and cash equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**Trade and other receivables**

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

**Investments and other financial assets**

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset, unless an accounting mismatch is being avoided.

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the company has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

*Financial assets at fair value through profit or loss*

Financial assets not measured at amortised cost or at fair value through other comprehensive income are classified as financial assets at fair value through profit or loss. Typically, such financial assets will be either: (i) held for trading, where they are acquired for the purpose of selling in the short-term with an intention of making a profit, or a derivative; or (ii) designated as such upon initial recognition where permitted. Fair value movements are recognised in profit or loss.

**Central Sydney GP Network Ltd**  
**Notes to the financial statements**  
**30 June 2023**

**Note 1. Significant accounting policies (continued)**

*Impairment of financial assets*

The company recognises a loss allowance for expected credit losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the company's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12-month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

For financial assets mandatorily measured at fair value through other comprehensive income, the loss allowance reduces the asset's carrying value with a corresponding expense recognised in other comprehensive income. In all other cases, the loss allowance reduces the asset's carrying value with a corresponding expense through profit or loss.

**Trade and other payables**

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

**Contract liabilities**

Contract liabilities represent the company's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the company recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the company has transferred the goods or services to the customer.

**Fair value measurement**

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

**Goods and Services Tax ('GST') and other similar taxes**

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

**Central Sydney GP Network Ltd**  
**Notes to the financial statements**  
**30 June 2023**

**Note 2. Critical accounting judgements, estimates and assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. There are no critical accounting judgements, estimates and assumptions that are likely to affect the current or future financial years.

## **Independent Auditor's Report to the Members of Central Sydney GP Network Limited**

### **Report on the Audit of the Financial Report**

#### **Opinion**

We have audited the financial report of Central Sydney GP Network Limited (the Company), which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- i) giving a true and fair view of the Company's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- ii) complying with Australian Accounting Standards - Simplified Disclosures and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2022.

#### **Basis for opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the 'auditor's responsibilities for the audit of the financial report' section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other information**

The directors are responsible for the other information. The other information comprises the information in Central Sydney GP Network Limited's annual report for the year ended 30 June 2023, but does not include the financial report and the auditor's report thereon. Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information we are required to report that fact. We have nothing to report in this regard.

**Directors' responsibility for the financial report**

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibility for the audit of the financial report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at The Australian Auditing and Assurance Standards Board website at: [www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). This description forms part of our auditor's report.
